BELLERBY STUDIO

With high ceilings and its own bar, as well as blackout, sound and lighting facilities, the Bellerby Studio is perfect for smaller performances and presentations, or as a more informal private area for social gatherings. Our studio also opens out onto a large paved patio area, ideal in the summer for strawberries and Pimms on the lawn!

MAIN AUDITORIUM

Often filled by audiences for our year-round programme of comedy, bands, orchestras, dance companies and musicals, this flexible space can also easily accommodate your events. The room boasts versatile retractable seats to suit a variety of seating configurations, from standard tiered theatre seating, to cabaret, exhibition, banquet, and dinner dance layouts.

FOYER SPACES

We have three levels of bright, open foyer spaces with bars providing the perfect setting for exhibitions, receptions, displays and more.

SEMINAR ROOMS

Our seminar rooms are great for intimate conferences and events, and can be used for private dining, celebrations, and social gatherings.

THE GLASS ROOM

Overlooking our garden and featuring a private balcony, the Glass Room is the perfect place to impress your guests. Three walls are fully glazed, filling it with natural light. With its own separate entrance, reception area and facilities, the Glass Room can be used independently from the rest of the building and divided into two separate areas if required.
